

Building Gardens, Building Minds

School Garden Regional Training

Training Schedule

Morning Focus:

How to start and maintain a school garden

- What to plant
- How to plant
- When to plant
- Care and maintenance

Afternoon Focus:

How to utilize the school garden to teach your students

Management strategies for teaching in the outdoor classroom

1. Are you a
 - Teacher (pre-K through 8th grade),
 - School administrator,
 - or Extension agent?
2. Are you involved or wanting to become involved in School Gardens?
3. Do you serve in Union, Mecklenburg, Rowan, Anson, Cabarrus, or Stanly County (or beyond)?

If you answered "YES!" to those three questions, this training is for you!

Wednesday, October 9 • 8 am - 3:30 pm
Union County Cooperative Extension Office
3230-D Presson Rd., Monroe, NC 28112

Register by September 30.

This training is FREE, but seating is limited to 30 participants so registration is required.
